At its meeting held September 14, 2004, the Board took the following action:

9

Supervisor Molina made the following statement:

“The City of Los Angeles conducted its first multiple building evacuation exercise on Thursday, September 9, 2004 from 10:00 a.m. until 12:00 p.m. The exercise included simultaneous building evacuations of City Hall, City Hall East, City Hall South, Parker Center, and the Metropolitan Communications Dispatch Center. The Federal building at 300 North Spring Street, Los Angeles, also participated.

“Four safe refuge sites were designated for this drill in the Civic Center vicinity to accommodate the hundreds of participants. The County’s Plaza of the Flags was used as one site, based on the scenario, which required employees in City Hall to walk further away from regularly designated safe refuge areas.”

Therefore, on motion of Supervisor Molina, seconded by Supervisor Antonovich, unanimously carried (Supervisor Yaroslavsky being absent), the Board waived the permit fee in the amount of \$350.00, excluding the cost of liability insurance, for use of the County's Plaza of the Flags as a safe refuge site for the City of Los Angeles' first multiple building evacuation exercise, held September 9, 2004.
